

ENVIRONMENTAL POLICY STATEMENT

In recognition of its legal responsibilities towards the environment Balmoral Tanks Ltd has discharged its duty of care diligently, and operated its processes in accordance with appropriate authorisations, licence conditions and regulations as required.

In recognition of further contractual and moral responsibilities, Balmoral Tanks Ltd is seeking continuous improvement in all aspects of its operations both locally and globally.

To demonstrate this, Balmoral Tanks Ltd hereby undertakes to:

- Comply, as a minimum standard, with all relevant environmental legislation and codes of practice
- Minimise the risk to the public arising from any of its operations
- Protect the natural environment, conserve resources, prevent pollution, minimise emissions and waste
- Train and supervise staff to ensure they act with due consideration for the environment
- Regularly assess the environmental impact of all Balmoral operations

In order to achieve these aims, Balmoral Tanks Ltd will implement and maintain a comprehensive Environmental Management System throughout the organisation and at all locations.
